

Clinton County Board Of Elections
November 2, 2010 General Election
VOTING EQUIPMENT ALLOCATION PLAN

Acquisition & Inventory of Voting Equipment

1. Clinton County (Clinton) owns forty-two (42) M-100's for its 38 precincts.
2. Clinton County has twenty (20) polling locations
3. Clinton County owns twenty-five (25) Auto Marks.
4. Clinton County owns 262 votamatics which are used as voting booths.
5. Clinton County has a contract with ABS for a balotar system with one (1) Ballot on Demand system to print ballots when the demand exceeds the supply.
6. Our Unity system is comprised of two PC's and one printer.
7. The Clinton County Board of Elections plans to use all of its equipment on Election Day.
8. Clinton County purchased two M-100's prior to the November 2007 general election; three M-100's in December, 2009; one M-650 high speed scanner in December, 2009.

Allocation and Distribution of Voting Equipment

1. The voting booths will be allocated based on one booth for approximately every 150 voters in the precinct.
2. Each precinct will have one (1) M-100 scanner.
3. A total of four (4) M-100's (+/-) will be kept at the board office for backup.
4. One M-650 high speed counter will be used in the office for absentee tabulation.
5. One (1) AutoMark will be assigned to each poll, except the Clinton County Fairgrounds Expo Center will have two (2) AutoMarks for its six (6) precincts.
6. Four (4) AutoMarks will be available for backup.
7. As of September 9, 2010, Clinton County has 26,648 total registered voters of which only 23,333 are active voters. A list of precincts (Exhibit A-1) and the number of registered voters in each precinct (Exhibit A-2) are attached.
8. Exhibit B outlines the voter turnout in each precinct from the November 2006 general election.
9. The Clinton County Board of Elections followed the SOS guidelines for allocating voting equipment.
