

NOVEMBER 2010
ELECTION
VOTING EQUIPMENT
REPORT

In November 2005, the Logan County Board of Elections purchased forty-six (46) optical M-100 scanners with ballot bins and twenty-eight (28) AutoMark marking devices. In July 2007, the Board of Elections purchased four (4) additional optical M-100 scanners and two (2) additional ballot bins. The total inventory of election equipment is fifty (50) optical M-100 scanners, forty-eight (48) ballot bins and twenty-eight (28) AutoMark marking devices.

For the November 2, 2010, general election, the Logan County Board of Elections will be using one hundred percent (100%) of the optical scanners for use in the election.

The Secretary of State has recommends one (1) optical scanner be assigned for each precinct. The Logan County Board of Elections has assigned one (1) optical scanner to each precinct (representing 44 optical scanners) and five (5) have been assigned for absentee voting. One optical scanner will be used as a backup/replacement scanner. Should additional scanners be needed for backup/replacement, absentee scanners will be pulled and placed where necessary. These assignments meet the recommendations of the Secretary of State.

The Secretary of State has recommended one (1) AutoMark marking device be assigned for each precinct. The Logan County Board of Elections has assigned one (1) AutoMark marking devise to each polling location (representing 26 AutoMarks) and one (1) has been assigned for absentee voting. One (1) AutoMark will be used as a backup/replacement device. These assignments are deviations from the recommendations of the Secretary of State. The Logan County Board of Elections has analyzed the use of the AutoMark marking devises from previous elections. Also taken into consideration was feedback from poll workers as to how many voters actually used the AutoMark on election day. Due to the minimal use of the

AutoMark on election day, it is the conclusion of the Board of Elections that it is not necessary to allocate an AutoMark to every precinct and deviates from the Secretary of State recommendations.

The total number of registered voters in Logan County is 30,865. Below is a list of precinct names along with the number of registered voters in each precinct.

Bellefontaine 1A	853	McArthur	1,091
Bellefontaine 1B	1,017	Huntsville	274
Bellefontaine 2A	783	Miami	418
Bellefontaine 2B	911	DeGraff	803
Bellefontaine 2C	529	Quincy	387
Bellefontaine 2D	464	Monroe	1,117
Bellefontaine 3A	901	Perry	691
Bellefontaine 3B	662	Pleasant	554
